South Range, MI 49963

Dear Ms. Puuri:

This letter is to advise you that the 04/18/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1906(1)(b): Records of a licensee; child care staff member; child care assistant.	On the day of the inspection, the licensee could not find her daily records of child arrival and departure times.	A spot was designated by front door to keep these records so they won't be misplaced.	3/17/23 On-going
R 400.1907(1)(a) Child's records.	Of the five child information cards reviewed, four of them were missing some information.	Information cards were reviewed and updated. Forms will be filled out together upon admission.	3/18/23 On-going
R 400.1907(2) Child's records.	Two of the child information cards were overdue for yearly updates.	Records were reviewed and updated. Forms will be filled out together upon admission.	3/18/23 On-going

	Two of the “child in care statement of receipts” forms were overdue for yearly updates.		
R 400.1915(5) Indoor space; play equipment and materials.	The recalled product list posted was not current.	Current recall list was posted, the current list will be printed when it’s available.	3/17/23 On-going
R 400.1932(2) Home maintenance and safety.	The child safety latch beneath the kitchen sink was not latched on the day of the inspection, bleach and another type of cleaner were being stored there. The child safety latch on the cupboard under the sink of the upstairs bathroom was not latched. Cat litter deodorizer was being stored there.	Safety latches will be locked at all times. New latch was added in the upstairs bathroom.	3/24/23 On-going
R 400.1932(3) Home maintenance and safety.	The hook and eye lock on the door that leads to the basement steps needs repair or a different type of lock should be installed. It would not lock on the day of the inspection.	Another lock has been added to the basement door.	3/24/23 On-going
R 400.1942(2) Electrical service; maintenance.	There were uncovered electrical outlets in the dining room, play room and kitchen.	All outlets have been covered. More outlet covers were purchased to have extra in case one breaks.	3/17/23 On-going

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
