Dear Ms. Edwards:

This letter is to advise you that the 05/30/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1907(1)(a): Child's records	Of the 8 child information cards reviewed, two of them were missing some information.	All missing information was received. All information on the form will be received in the future.	5/10/23
R 400.1907(2): Child's records	Four of the child information cards reviewed were overdue for yearly updates. Seven of the "child in care statement of receipt" forms were overdue for yearly updates.	Information cards and child in care statements were updated.	5/10/23

R 400.1919(3): Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.	Seventeen-year-old son needs proof of a negative T.B. test.	T.B. test results were found and sent to consultant. T.B. tests will be completed when someone in household turns 14.	5/30/23
R 400.1932(1): Home maintenance and safety.	The cupboard on the right side located under the kitchen sink has a safety lock that isn't catching, cleaning supplies are kept there.	A new safety lock was placed on this cupboard by Rhys Edwards. Cupboards will be checked bi-annually.	5/19/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.
