Dear Ms. Martin:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/09/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

During the on-site inspection, there were seven unrelated children in care. At the conclusion of the inspection, the home was in compliance with the licensed capacity.

R 400.1910 Ratio of personnel to children.

(1) The ratio of personnel to children present in the home at any 1 time must be not less than 1 member of the personnel to 6 children. The ratio must include all children in care who are not related to any personnel and any of the following children who are less than 6 years of age:

(a) Children of the licensee.

(b) Children of a child care staff member or child care assistant.

(c) Children related to any member of the household by blood, marriage, or adoption.

During the on-site inspection, there were seven unrelated children in care with Ms. Martin. At the conclusion of the inspection, the home was in compliance with the child care staff member to child ratio.
