Dear Ms. Allman:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection I observed free choice time. Ms. Allman uses play-based learning with the children. Concepts such as letter and numbers are taught during their play. The home is equipped with an adequate amount of age-appropriate equipment. Technical assistance was given on not using tents and canopies for pack n plays, child information cards, animal food dishes, and placement of adult scissors.
