Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection I observed children engaged in free choice activities. Interactions between Ms. Allman and the children were positive and developmentally appropriate. There was an adequate amount of play and learning materials. Ms. Allman uses a theme based curriculum based on the ages and developmental levels of the children in care.
