Dear Ms. Armour:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 01/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection I observed toileting, hand washing, free choice, and breakfast. Interactions between Ms. Armour and the children were positive and developmentally appropriate. Ms. Armour uses Playing Preschool Curriculum. Technical assistance was given on the changing pad, pack and play, cupboard lock and the placement of bleach wipes.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
