Dear Ms. Reppert:

This letter is to advise you that the 07/17/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(1) Training.	Licensee did not have verification of 10 hours of annual professional development training for the 2021 and 2022 calendar years.	Licensee will maintain verification of completed training hours.	7/17/2023
R 400.1918(5) Medication; administration; procedures.	A tube of Orajel was found in the foyer of the home, and was accessible to child care children.	The Orajel was moved to a location inaccessible to child care children.	7/17/2023
R 400.1934(4) Heating; ventilation; lighting; radon.	A radon test was not completed. Radon should	A radon test will be completed, and the results will be provided to the department.	8/28/2023

	be tested every 4 years at renewal.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
