Dear Ms. Wilder:

This letter is to advise you that the 06/24/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1907(1) Child's records.	There were no Child in Care Statements completed for the enrolled children in care.	Ms. Wilder will have the child care parents complete the paperwork.	7/30/2021
R 400.1907(3) Child's records.	The daily attendance records for the child care children did not contain the children's last names.	Mrs. Wilder will create a new daily attendance log containing the child care children's last names.	6/25/2021
R 400.1920(6) Outdoor play area and equipment.	The licensee, Mrs. Wilder, advised that she has allowed the child care children to use the trampoline located in the outdoor play area. Mrs. Wilder was informed that	Mrs. Wilder will no longer allow the child care children to use the trampoline.	6/24/2021

	trampolines were not permitted to be used by child care children.		
R 400.1921(1) Water hazards and water activities.	The fence separating the outdoor play area from the retention pond was not locked/secured.	Mrs. Wilder will purchase a lock for the gate to make the retention pond inaccessible.	6/28/2021
R 400.1921(4)(b) Water hazards and activities.	There were two wading pools observed in the outdoor play area. Both wading pools contained standing water and were not emptied and cleaned after their last play period.	Mrs. Wilder will empty and remove the pools from the outdoor play area.	6/25/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
