Dear Mrs. Engle:

This letter is to advise you that the 09/21/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1920(5)(c) Outdoor play area and equipment.	The raised wooden perimeter of the outdoor play area is located beneath the slide. The slide protrudes beyond the border of the perimeter of the outdoor play area.	The licensee will remove the raised wooden perimeter or will extend beyond the slide.	10/31/2022
R 400.1932(4) Home maintenance and safety.	The stairs from the back deck leading to the outdoor play area has more than 3 steps and a raise greater than 24 inches with no handrail attachment.	Licensee will add handrail.	10/31/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.
