Dear Ms. Bellinger:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 3/1/2023, I found 2 violations. The violations are listed below and explained in the attached report:

R400.1905(1) Training.
R400.1905(9) Training.

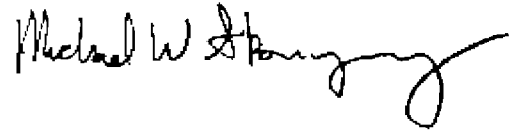

You gave us an acceptable written corrective action plan. We will send you a regular license in the mail.

| During calendar year 2022: | Total |
|---|--------------|
| Number of serious injuries that occurred in facility. | 0 |
| Number of deaths that occurred in the facility. | 0 |
| Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility. | 0 |

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1905 Training.

(1) A licensee shall complete not less than 10 clock hours of training each calendar year related to child development, program planning, and administrative management for a child care business, not including CPR, first aid, and infectious disease, including immunizations, training.

Ms. Bellinger only completed 2 hours of professional development in 2022.

R 400.1905 Training

(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.

Ms. Bellinger did not complete the 2022 Health and Safety Refresher.

IV. RECOMMENDATION

I recommend issuance of a regular child care license for this family child care home.
