Dear Ms. Griswold:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/10/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection I observed Ms. Griswold communicating the with children in a positive and nurturing manner, meeting their needs and comforting them. Ms. Griswold reported she does not use a certain curriculum; however, she does incorporate learning into play and does crafts, science, math, numbers, letters, shapes, colors, movement, music, and large group.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
