Dear Ms. Carcamo:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 10/13/2022, I found 3 violations. The violations are listed below and explained in the attached report:

- |                   |                                  |
|-------------------|----------------------------------|
| <b>R 400.1905</b> | <b>Training.</b>                 |
| <b>R 400.1941</b> | <b>Heat-producing equipment.</b> |

Due to the violations, you must send us a corrective action plan by 4/5/2023. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.

- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, a regular license will be issued. You will receive it in the mail.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records.

Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1905            Training.**

**(3) A licensee shall ensure that child care staff members and child care assistants, prior to caring for children, have training that includes information on all of the following:**

**(a) Safe sleep practices to prevent sudden infant death syndrome.**

**(b) Recognition of and the reporting of child abuse and neglect.**

**(c) Prevention of shaken baby syndrome, abusive head trauma, and child maltreatment.**

Ms. Carcamo did not have documentation verifying herself and all child care staff members completed the above listed trainings prior to caring for children.

**R 400.1905            Training.**

**(4) Within 90 days after receiving a child care license or of being hired at a child care home, a licensee, a child care staff member, and a child care assistant shall complete training on all of the following topics:**

**(a) Child development.**

**(b) Administration of medication**

**(c) Prevention of and response to emergencies due to food and allergic reactions**

**(d) Handling and storage of hazardous materials and the appropriate disposal of biocontaminants.**

**(e) Precautions in transporting children.**

**(f) Building and physical premises safety.**

**(g) All hazards emergency preparedness and response planning.**

Ms. Carcamo did not have documentation verifying herself and all child care staff members completed the above listed trainings prior to caring for children.

**R 400.1941            Heat-producing equipment.**

**(5) The inspection specified in subrule (4) of this rule must be conducted before the initial license is issued and every 4 years thereafter at the time of license renewal.**

Ms. Carcamo did not have documentation to verify her furnace and water heater was inspected in the past four years.

**IV. RECOMMENDATION**

I recommend the issuance of a regular license to this child care family home.
