Dear Ms. Williams:

This letter is to advise you that the 07/10/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed                                                                                              | Plan to correct                                       | Date to be completed |
|-----------------|---------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------|----------------------|
| R400.1932(2)    | The kitchen drawer contained hand tools, batteries, small screws, and other small items accessible to the children. | A latch will be placed on the drawer.                 | 7/15/23              |
| R400.1934(4)    | Ms. William lacked a radon test completed every 4 years.                                                            | A radon test will be completed now and every 4 years. | 7/31/23              |
| R400.1944(3)    | The fire extinguisher was not mounted.                                                                              | The fire extinguisher will be mounted.                | 7/15/23              |

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
