Dear Ms. Larocque:

This letter is to advise you that the 12/14/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

400.1910(1) Ratio of personnel to children.	During my unannounced visit, I observed seven children in the home. Ms. LaRocque said four of the children were related to her, but they were all under the age of 6 years.	Ms. LaRocque is in the process of hiring a child care staff member. She will operate with a 1:6 ratio until either a variance is approved or the child care staff member begins employment.	12/15/2022

400.1919(1) Communicable disease; immunization; mental and physical health; physician attestation; tuberculosis.	Ms. LaRocque did not have an updated written statement attesting to her mental and physical health at the time of the license renewal.	Ms. LaRocque will complete an updated medical clearance form. She will ensure this is completed at every renewal moving forward.	01/09/2022
