Dear Ms. Reynolds:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations.

I observed the children engaged in quiet time and free play activities. I provided Ms. Reynolds with a rule review regarding infant safe sleep, different ways to safety proof different areas of her home, and written emergency plans. I referred Ms. Reynolds to contact MIRegistry regarding the visibility of completed trainings

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
