RE: License #: DF390244716

Dear Ms. Black:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 04/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the onsite inspection, I reviewed child and licensee/household records. I observed six children in care playing with developmentally appropriate toys in the playroom, and one infant being held by the licensee. The licensee regularly went in and out of the playroom to check on the children and interact with them. This family child care home has an approved variance for a 1 to 7 ratio of personnel to children.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
