Dear Mrs. Martin:

This letter is to advise you that the 09/19/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1941(5)	A furnace and water heater inspection have not been completed since 3/26/2018. One is due every 4 years at the time of license renewal.	I'll call to schedule inspection on 9/19/2022 and follow up after it is completed.	10/21/2022
R 400.1952(2)	The licensee does walking field trips with the children and has not obtained written permission from parents.	I'll have parents fill out this form by 9/26/2022	9/26/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
