Dear Ms. Sanders:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/31/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

	<b>(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.</b>
Licensee was missing the health and safety refresher training for 2021.	

On 10/31/2022, you gave us an acceptable written corrective action plan.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
