Dear Ms. Davis:

This letter is to advise you that the 08/02/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1907(3) Child's record.	Ms. Davis' attendance records are not accurate. They reflect the times that Child A was in someone else's care.	Ms. Davis will keep detailed records of when children are in her care.	08/02/2022
R 400.1911(1)	Ms. Davis was not providing appropriate care or supervision of Child A when she was taking him to an unlicensed provider for care.	Ms. Davis will keep children in her care and watch them 100% of the time. Children will only leave if she has written permission from the children's parents/guardians.	08/02/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
