RE: License #: DF390400720
Aunt Denise's Kids Kare
1530 Brookmoor
Portage, MI 49024

Dear Denise Davis:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/26/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During this inspection, I reviewed child and household records and infant safe sleep. I observed three child care children playing in a splash pad outside and two infant children being held by the licensee as she supervised the children playing in the splash pad. There was also the licensee’s own school-age child playing with the children. I gave technical assistance on making sure that a written log is maintained for fire and tornado drills and that fire drills are completed at least once every quarter and two tornado drills between March and November. I also gave technical assistance regarding notification of change in the household to the department if any person moves out/in to the home.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
