Dear Ms. Giles:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection I observed two child care children present. A diaper change was performed and I observed Ms. Giles interacting with both children working on manipulatives and various activities.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
