Dear Terri Karel,

This letter is to advise you that the 8/2/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1919(1)	There was not a current medical clearance on file for the licensee. Licensee stated that she has an appointment in August to get this completed.	I will complete the medical clearance at my appointment in August and send a copy of the form to the consultant. In the future, I will make sure that the medical clearances are completed prior to the renewal of my license.	8/30/2024
R 400.1925(2)(b)	There was no consent and disclosure form on file for the licensee.	I will complete and sign the consent and disclosure form and keep it on file at all times.	Immediately and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
