Dear Terry Lyon-Carl,

This letter is to advise you that the 6/21/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1920(3)(c)	There was a broken basketball hoop and a plastic play structure that was cracked in the outdoor play area. The broken equipment must be removed; they can be replaced if desired, but licensee has enough other equipment that replacing them is not required.	I will remove the broken equipment from the outdoor play area. In the future, I will ensure that all equipment is in good repair.	Immediately and ongoing.
R 400.1932(2)	Licensee had child locks installed on drawers containing dangerous/hazardous items (knives, scissors, cleaning products), but they were not functioning properly as I was able to open the drawers and	I will install functioning child locks on all drawers and cabinets within children's reach that contain dangerous or hazardous materials such as scissors, knives, and cleaning products. I will make sure that these	Immediately and ongoing.

	cabinets without resistance. Child locks need to be utilized for all drawers and cabinets containing dangerous or hazardous items.	are functional moving forward.	
R 400.1934(4)	There was no radon test conducted within the last 4 years.	I will schedule and conduct a radon test and send the results to the consultant. In the future, I will have a radon test conducted every 4 years for my license renewal.	7/19/2024
R 400.1941(2)	There were several bags of water softener salt and plastic tubs stored within 4 feet of the furnace and water heater.	I will remove all items that are currently stored within 4-feet of the furnace and water heater. In the future, I will not store items within 4-feet of the furnace and water heater.	Immediately and ongoing.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
