During the renewal inspection Ms. LaGrone mentioned changing the age range of the children she will accept for care. I requested that Ms. LaGrone complete a Request for Modification form (CCL-5054) to make that change.

The terms of this license have been modified on 03/12/2014, 04/27/2017, 05/17/2017, and 04/27/2022.

This child care home is a two-story structure with a full basement located in a residential neighborhood in the south-east quadrant of Grand Rapids near the intersection of Madison Avenue SE and Martin Luther King Jr. Street SE.

The level approved for child care use is the home is the main level of the home. The upper and basement levels are not approved. The basement level is approved as a storm shelter.

On the main level of the home, the living room, dining room, kitchen, and back entryway are approved as child care use space. There is a bathroom for the children to access on this level. There are three remotely located exits on this level of the home; the front door, a side door, and a back door leading to the backyard of the home.

The backyard of the home is approved the outdoor play area. The backyard is fully fenced in. There are no water hazards on or near the property. There is no installed equipment in the backyard of the home at this time. The children will also walk to a neighborhood park for outdoor time.

Ms. LaGrone will provide care for children between the ages of 3 years and 17 years old.

She will provide care Monday through Friday 6:00am to 11:59pm.

V. Recommendation

I recommend changing the age range for this child care home to include children between the ages of 3 years to 17 years.
