Dear Ms. LaGrone:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection the home was clean and organized. There were two related children in care. The children were working on summer school work. Ms. LaGrone was providing appropriate care and supervision and helping the children with their homework. Child and home records were organized and made readily available.

I provided technical assistance and consultation on the following rules:

- We discussed the 5-year fingerprinting renewal process. I provided Ms. LaGrone with a Consent and Disclosure (BCHS-WBC-4001) for herself and the adult household member to complete prior to their fingerprint renewal appointment.
- R 400.1907(1) & (2) Child's record; ensuring child records are updated every year.
- R 400.1944 (3) Smoke detectors; fire extinguishers; ensuring fire extinguishers are the correct size.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.
