Dear Ms. Thomas:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 09/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were no children in attendance. Ms. Thomas currently provides care for related children. The home was clean and organized. I checked all safety rule requirements.

I also provided technical assistance and consultation installing a pool in the backyard, completing the health and safety refresher 2023 training, and keeping the child care background check system updated.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', is positioned above the printed name.
