Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During my on-site inspection, the home was clean and organized. The child in care was playing with a minor household member. Ms. Thomas was providing appropriate care and supervision. Required paperwork was organized and readily available. Ms. Thomas has completed all the required annual trainings.

The facility is in compliance with all applicable rules and statutes.
