Dear Ms. Thompson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were three related children and one unrelated child in care. The children were engaged in free play. The home and child files were organized and made readily available.

I provided technical assistance and consultation on the following rules:

- MCL 722.115n (16) ... criminal history check; requirements; duties of department. criminal history check; requirements; duties of department; I reminded Ms. Thompson about the comprehensive background check renewals and the due date for those renewals.
- R 400.8176 Sleeping equipment; we discussed approved sleeping equipment for infants. There was one related infant in care.
- R 400.1907 Child's record; I reminded Ms. Thompson about needing Child Information Record (CCL-3731) and Child in Care Statement/ Receipt (CCL-3900) for children in care. And discussed that forms need to include all required information and be updated annually.
- R 400.1932(2) Home maintenance and safety; I reminded Ms. Thompson that hazards such as cleaning products need to be inaccessible to children.

As a result of the inspection, I did not find any rule or law violations.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
