Dear Ms. Charon:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 01/21/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. During my onsite inspection, I observed free play. Interactions between Mr. Charon and child care children were positive. Approved levels of child care use space do include the main floor kitchen, dining room, living room and two bedrooms. The basement is also approved for child care use and includes the living room. Technical assistance was provided in regards to home maintenance and pets.

During calendar year 2021:	Total

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
