Dear Ms. Ley:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 11/21/2022, I found 2 violation(s) listed below and explained in the attached report: listed below and explained in the attached report:

R 400.1905 (9) Training  
R 400. 1934 (4) Heating; ventilation; lighting; radon.

Due to the violations, you must send us a corrective action plan by 12/23/2022. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

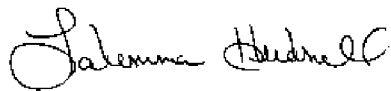

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

**Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.**

Sincerely,

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

**R 400.1905            Training**

**(9) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 months of the notice.**

Health and safety training refresher courses 2020 or 2022 have not been completed.

**R 400.1934            Heating; ventilation; lighting; radon.**

**(4) A licensee shall test the child care home for the concentration of radon gas before the initial license is issued and every 4 years thereafter at the time of license renewal.**

Radon test was not completed at the time of the renewal.

**IV. RECOMMENDATION**

I recommend no change to the status of this license child care home.
