IV. Description of Findings and Conclusions

The terms of the license have been modified on 08/24/2018, 05/02/2022, and 0912/2022.

This family child care home is located in a bi-level home in a residential neighborhood in the south-east quadrant of Grand Rapids near the intersection of Hall Street SE and Madison Avenue SE.

The upper level is the only level of the home approved for childcare use. On the upper level of the home, the living room, kitchen, dining area, and playroom are approved as child use space. There is a bathroom for the children to access on this level of the home.

There are two remotely located exits on the upper level of the home; the stairwell leading to the front door and a back slider leading out to the deck overlooking the backyard. There is no fireplace or wood burning stove in the home.

The upper-level bedroom and lower level of the home are not approved as child use space.

The approved outdoor play area is in the front yard and driveway of the home. The front yard is not fenced in. Ms. Hardiman will provide direct supervision when children are using the outdoor play area. There are no known water hazards in the outdoor play area.

The child care home will operate from Sunday from 8:00pm to 11:59pm and Monday through Friday from 12:00am to 11:59pm and Saturday from 12:00am to 8:00am.

V. Recommendation

I recommend approving the extension of hours for the child care home.
