Dear Linda Riemersma,

This letter is to advise you that the 8/5/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1905(1)	In the calendar year 2023, Linda Riemersma only completed 3.5 of the required 10 hours of training.	From now on I will make sure I complete 10 hours on continuing education. I will make sure I set reminders so I cannot overlook these hours again.	Every year I remain licensed!

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Kathleen Hop at (616) 250-3403 or hopk@michigan.gov.
