Findings of the Inspection

A copy of this Safe Sleep inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Safe Sleep inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Homes.

During my on-site inspection there were four children present napping. The infant in care was sleeping alone in a crib on her back. Ms. Guterrez and her staff member have re-taken the required safe sleep training. Ms. Guterrez submitted verification to the bureau in August 2023.

As a result of the Safe Sleep inspection on 10/5/2023, licensing consultant Jessica Miranda-Bevier did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier, at 616-498-5459. In the event that Jessica Miranda-Bevier is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
