David Lee and Diane Lee
1046 Prince Street, SE
Grand Rapids, MI 49507-1383

Dear Mr. Lee:

This letter is to advise you that the 11/09/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.1932(2) Home maintenance and safety.	The lazy susan cabinet in the kitchen has medications and other items labeled “keep out of reach of children.” This cabinet is accessible to children.	Ms. Lee will purchase and place a lock on the cabinet to ensure the items are inaccessible to children. Ms. Lee will send a photograph to the bureau to verify compliance.	11/30/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', is positioned above the typed name.
