Dear Ms. Reminga:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 01/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

R 400.1916 Bedding and sleeping equipment.

(13) None of the following are approved sleeping equipment for children 24 months of age or younger:

(d) Bassinets.

During my onsite inspection, Ms. Reminga stated a 6 month old infant sleeps in a bassinet.

On 01/12/2022, you gave us an acceptable written corrective action plan.

Due to the infant safe sleep violation(s), all of your infant caregivers must take training on infant safe sleep. This must be included in your corrective action plan. In addition, a follow up inspection may be made to check compliance with the infant safe sleep rules.

During calendar year 2021:	Total

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
