Dear Ms. Crawford:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were no children in attendance. The home had a variety of age-appropriate materials and equipment for the children to access. The home and child records were organized and made readily available.

I provided technical assistance on the following rules:

- R 400.1907(1) and (2) Child's record; ensuring child information cards are completed with all required information and updated annually.
- R 400.1925(2)(b) Comprehensive background check; fingerprinting; ensuring new consent and disclosure forms are completed for fingerprint renewals.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', is positioned above the printed name.
