## **II. Purpose of Addendum**

On 06/08/2023 I received a Request for Modification form (CCL-5054) from licensee Denise Jones requesting the following:

- Disapproval of the bedroom on the main level of the home
- Approval of the back yard as an outdoor play area

## **III. Methodology**

06/08/2023 Modification Request Received

06/08/2023 Inspection Completed On-Site

## **IV. Description of Findings and Conclusions**

This child care home is a two story, wood-framed home with a full finished basement. It is located in a residential neighborhood near the intersection of Kalamazoo Avenue SE and Burton Street SE.

The main and basement levels of the home are approved for child care use.

On the main level the living room, dining room, and kitchen are approved. There is a bathroom accessible to children on this level of the home. There are two remotely located exits on this level of the home; the front door and a back door leading to the back yard of the home.

In the basement level of the home, the play room is approved. There is a bathroom accessible to children on this level of the home. There are two remotely located exits on this level of the home; the stairs to the main level and a window that has been grandfathered in with steps and handrail. This window is marked as an exit.

The upper level of the home, the bedroom on the main level, storage, and laundry rooms in the basement are not approved as child use space.

The outdoor play area is the backyard and front yard of the home. Ms. Jones will also use a nearby school playground. The backyard of the home is completely fenced in. There is appropriate surfacing under elevated equipment. There are no water hazards in the backyard of the child care home.

The child care home will operate Monday through Wednesdays from 7:00am to 5:30pm and Thursdays and Fridays from 7:00am to 4:30pm. Ms. Jones will accept children between the ages of birth to 6 years old.

**V. Recommendation**

I recommend disapproval of the bedroom on the main level of the home and approval of the backyard of the home as the outdoor play area.
