Dear Ms. Jones:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were three child care children and one related child in care. The children were engaged in free play. The child care home was clean and had a variety of age-appropriate equipment for the children to access. Ms. Jones interacted with children in a positive and nurturing manner. She used reminders and redirection as positive discipline strategies. Home and staff records were organized and complete.

I provided technical assistance on the following rules:

- R 400.1925(2)(b) Comprehensive background check; fingerprinting; ensuring new consent and disclosure forms are completed for fingerprint renewals.
- R 400.1925(2)(e) Comprehensive background check; fingerprinting; ensuring the Child Care Background Check system is maintained accurate with each applicant's role.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
