Dear Ms. Carter:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 09/21/2022, I found 3 violation(s) listed below and explained in the attached report:

R 400.1934 (4) Heating; ventilation; lighting; radon.

R 400.1952(1)(a) Child transportation; parent permission; child information card; required when off-premises.

R 400.1952 (2) Child transportation; parent permission; child information card; required when off-premises.

You gave us an acceptable written corrective action plan. We will send you a regular license in the mail.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Lalemma Hudnell".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff,

and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During the inspection, the child care home was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.1934 Heating; ventilation; lighting; radon.

(4) A licensee shall test the child care home for the concentration of radon gas before the initial license is issued and every 4 years thereafter at the time of license renewal.

Provider did not have a Radon test at the time of the on-site inspection.

R 400.1952 Child transportation; parent permission; child information card; required when off-premises.

(1) A licensee shall obtain and keep on file written permission from a child's parent before a child is transported in a vehicle. Written permission must be obtained for both of the following:
(a) Routine transportation, at least annually.

Provider did not have routine transportation permission slips allowing her to transport children care children for children to and from school.

R 400.1952 Child transportation; parent permission; child information card; required when off-premises.

(2) At the time of initial enrollment, a licensee shall obtain written permission from a child's parent for the child to go on field trips that do not involve a vehicle including, but not limited to, walking to a park or in the neighborhood.

Provider did not have walking permission slip allowing her to walk child care children to bus stop, park or neighborhood.

A corrective action plan was requested and approved on 09/21/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify

compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend no change to the status of this license child care home.
