Dear Ms. Fleming:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were five children in attendance. They were engaged in free play and Ms. Fleming was providing appropriate care and supervision. The home was clean and there was a variety of age-appropriate materials and equipment for the children to access. Ms. Fleming interacted with the children in a positive manner and used reminders as a positive discipline strategy. All the home and child files were organized, readily accessible, and complete.

I provided technical assistance and consultation on annual training requirements and child paperwork.

As a result of the inspection, I did not find any rule or law violations.
