The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Family Home.

During the on-site inspection I observed free play and napping. There was a variety of age-appropriate equipment for the children to access. Ms. Tshiasuma and the child care staff member present were providing appropriate care and supervision. They interacted with children in a positive and friendly manner. Home, staff, and child records were made readily available.

During the Interim inspection, licensing consultant Jessica Miranda-Bevier found 0 violations.
