Dear Driesenga, Eileen and Driesenga, Genevieve:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 01/10/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

The violations that were found are:

**R 400.1916 Bedding and sleeping equipment.**

(5) Play yard mattresses must be purchased from the manufacturer of the play yard and be manufactured after February 19, 2014. Play yards must meet the Consumer Product Safety Commission safety standards for play yards, 16 CFR part 1221 (2019). Licensees shall comply with this subrule by December 31, 2019. These standards are available at <http://www.cpsc.gov>. They are also available for inspection and distribution at the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems, Child Care Licensing Division, 611 W Ottawa, Lansing, MI 48933-1070.

There was no evidence that the pack and play was manufactured after February 19, 2014. Pack and play mattress needs to be replaced.

**R 400.1941                      Heat-producing equipment.**

(2) Combustible materials and equipment must not be stored within 4 feet of furnaces, other flame or heat-producing equipment, or fuel-fired water heaters.

There was not a 4 foot clearance of noncombustible materials around the furnace.

On 1/10/2022, you gave us an acceptable written corrective action plan.
