The home is located on a lake. The children do not play in the backyard for this reason. There are alarms on both sliding doors on the main level and lower level leading to the backyard as a precaution.	The outdoor play space is in the front yard. The backyard is not approved as the home is located directly on a lake to which there is no barrier if the children are in the backyard. The home provides a barrier to accessing the lake from the front yard.
