III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care home administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the home's records, including staff records and children's records. Staff records include background checks, medical clearance information, and training information. Children's records include child information cards and child in care statements/receipts.

During my on-site inspection I observed the home and all child care areas. There were no children in care during my visit. Ms. Pepper has two new children starting on Monday.

The facility is in compliance with all applicable rules and statutes.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care family home (capacity 1-6).
