RE: License #: DF410400753
Kim's Daycare
2141 Jefferson Dr SE

Dear Ms. Monsma:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 04/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During my on-site inspection there were four children in care. The children were engaged in free play. Ms. Monsma interacted with children in a positive and nurturing manner. She used problem solving and redirection as positive discipline strategies. The home was clean, organized, and had a variety of age-appropriate materials and equipment for the children to access. All home and child records were very organized and made readily available.

I provided technical assistance on rule 400.1907(1)(a) Child Records; ensuring that the child information cards include all required information.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', is positioned above the typed name.
