Dear Monique Kalonji,

This letter is to advise you that the 7/25/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.1905(2)	Child care staff member only had two hours of training during calendar year 2023.	All child care staff members will take at least 5 hours of training annually in child development and caring for children, not including CPR, first aid, and infectious disease (including immunization) from now on.	Immediately and ongoing.
R 400.1905(3)(a)	There was no record of the child care staff member taking safe sleep training other than what was covered in modules 1 and 2 of the health and safety courses offered by MiRegistry. Licensee was not aware there was an additional training. It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
