Dear Ms. Tolbert:

This letter is a follow-up to the conversation via FaceTime we had on 08/15/2022. The purpose of this conversation was to determine compliance with rule R 400.1944(1) Smoke detectors; fire extinguishers. You confirmed that you have an installed and operational smoke detector in the upper level of your home.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "JMB", written over a white background.
