## **II. Purpose of Addendum**

On June 29, 2022, I received a Request for Modification form (CCL-5054) from licensee, Frida Mutoni requesting that the living room in the basement be approved as child use space.

## **III. Methodology**

06/27/2022 Contact - Document Received; email

06/29/2022 Inspection Completed On-Site

06/29/2022 Modification Request Received

## **IV. Description of Findings and Conclusions**

The terms of this license have been modified on 07/07/2022.

This child care home is located in the south-west quadrant of Grand Rapids west of the intersection of Cesar E Chavez Avenue SW and Martin Luther King Jr. Street SE. The home is a two-level wood framed structure with a full finished basement.

The main and basement levels of the home are approved as child care use space.

- On the main level; the playroom and bedroom are approved. On the main level of the home there are two remotely located exits; the front door and a back door leading to the backyard of the home. There is a bathroom for the children to access on this level of the home.
- In the basement level; the living room is approved. In the basement level there are two remotely located exits; the stairs to the main level and an egress window labeled as an exit in the bedroom.

The upper level of the home is not approved as child use space. On the main level the kitchen is not approved as child use space. In the basement level the bedroom and laundry/storage rooms are not approved as child use space. The bathroom in the basement is not approved for use by children.

There is an adequate amount of materials and equipment for children.

Ms. Mutoni has sufficient bedding equipment for children between the ages of birth and 6 years old for overnight care.

Ms. Mutoni will provide care for children between the ages of birth and 6years.

The child care home will operate Monday through Friday for first, second, and third shifts(12:00AM -11:59PM).

The outdoor play area is located in the backyard of the home. The area is completely fenced in. There is no equipment that requires surfacing in the backyard at this time. There is a trampoline within the fenced in area. Ms. Mutoni is aware that child care children cannot use the trampoline.

**V. Recommendation**

I recommend approval of the living room in the basement as child use space.
