Dear Ms. Eshelman:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 07/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes. As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, I reviewed children’s records and staff members files. I also observed children initiated in freedom of choice activities. Child care staff member interactions with children was positive and nurturing.
