Dear Ms Azelton:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 08/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations. I observed the children engaged in freedom of choice learning. I provided a basic rule review regarding infant safe sleep and written emergency plans.
